Your **2017 PROPERTY TAX BILL LIEN** MUST be paid before May 27, 2020 or your property will go to foreclosure.

**Stickered trash bags are to be put out IN TRASH CANS, as per our town ordinance.**

**Beginning December 5**, stickered trash bags may be set out Thursday mornings without being in trash cans. This will be just for the winter months. Notice will be posted of the date when you must use trash cans in the spring.

### **CHRISTMAS VISIT**

Santa will be coming around town on **Sunday, December 8**, to meet Sorrento's children at their homes to deliver them presents.

**If you are new to Sorrento since last Christmas, or have a new addition to your family since last Christmas, please call the Town Office (422-6889) with your child's/ren's name(s) and age(s). We will need to know this information by 12 noon on Monday, December 2.**

Santa will start out on his trip from the Sorrento Fire Station on Pomola Avenue at 1:00pm. on December 8. In the December Newsletter, we will list his approximate times directions.

**Introducing the new Long Pond Water District website! Please check out the new website by going to: [longpondwater.com](http://longpondwater.com)**

**DAYLIGHT SAVINGS TIME** ends November 3. Don't forget to turn your clocks back one hour. The Sorrento Fire Department urges everyone to also check the batteries in their smoke detectors and carbon monoxide detectors.

#### **SAFETY STICKERS**

Please also remember that the Sorrento Fire Department also has safety stickers that you may pick up in the Town Office. Just ask for them.

These stickers are Tot Finder stickers, Disabled stickers and stickers for you pets.

These are to be placed in your windows so that First Responders will know if, in case of an emergency, there is anyone that may need help.

**Sorrento Planning Board**  
meets the last Wednesday of the month, as needed.  
Applications must be turned in to the Town Office two week prior to the meeting.

#### **REGISTERING BOATS**

##### **New State regulations on boat registrations**

The office **CANNOT** register a boat unless it has a hull number as of spring 2018. Ask for the guidelines in the Town Office concerning the hull numbers.

#### **Process for the Safe Disposal of Marine Flares**

Anyone who needs a safe manner for the disposal of outdated or unwanted marine flares should call the **Office of State Fire Marshal** at **207-626-3870**.

The caller will receive a return call for the purpose of picking up the outdated or unwanted marine flares for proper disposal.

#### **TAKE NOTE**

##### **BURNING TRASH IS ILLEGAL!!**

State Laws (12 MRSA 9321-25) governing the backyard burning of household trash are enforced by the Maine Forest Service.

If you think someone is burning trash **please call 973-3700 immediately!** 24 hours/day, 7 days a week.

#### **TAKE NOTE**

Due to changes from Augusta as to how marriage licenses and copies of birth, marriage and death certificates are done, this notice is to inform you that, especially with marriage licenses, we will **need at least three business days** from the time you give us your completed intentions papers to the time you may pick up your marriage license or other copies.

The **2018 PROPERTY TAX BILLS** were **due by January 7, 2019** with interest at **8% per annum** charged after that date. The lien process has begun on any unpaid 2018 property taxes.  
**Any unpaid 2018 property taxes will be set to lien the first week of November 2019.**

### **SELECTMEN'S MINUTES**

Meeting Date: 10/2/2019

In attendance: Rob Wilpan; Greg Ring; David Nichols; Dwayne Clement; Diana Gazis; Crosby Noyes

Motion to approve Meeting Minutes from last meeting: Approved

Crosby Noyes: There have been complaints that the current lighting at the town pier is too powerful and blinding to residents, boaters, and even complaints from Hancock as to the light pollution. Crosby presented a proposal and report for a new main light system to be placed underneath the current system. The new system has shields to direct the light and the intensity of the light is controllable. The current system would be available in the event of an emergency and would be turned on by an unlocked outdoor switch that would be easily assessable. Crosby received a high and low quote from his electrician. He contacted residents who are affected by the current light system and they are willing to pay the costs for purchase and installation. Currently, \$1,550 has been committed to this project by private donations. The total cost of the project is between \$1,600 and \$1,800. The Electrician is Dave Green in Hancock. The Selectmen will make a decision on this at the November 6<sup>th</sup> meeting.

The Fire department needs a computer. The construction of the new desk is almost complete.

Snow removal for the town hall complex has been done by Jake Belhumeur and he will do the snow removal again this year. He is only able to clear snow from the town hall complex in the mornings.

Meeting adjourned at 8:05pm

### **STATE BURNING PERMITS**

Traditional hand-written burn permits are still available, but the state online system allows permits to be acquired 24 hours a day, seven days a week, throughout the state, provided that the fire danger is not high. These you pay for. You don't pay for burn permits issued by the below fire department members.

For more information, call 287-4989 or visit [www.maineburnpermit.com](http://www.maineburnpermit.com).

**FIRE PERMITS**  
**from the Sorrento Fire Dept.**

***Commercial burn permits are available  
October 15 thru April 15.***  
Regular burn permits are available  
year-round.

**FOR BURN PERMITS ANY TIME OF THE YEAR:**

**You are required by Maine law to have a permit to burn**, even for a small pile of grass clippings or leaves. A Forestry Warden will be called if you burn without a permit, possibly resulting in you being summonsed to court and fined.

***The person who signs the fire permit is responsible for the fire. Do not leave any fire unattended.***

**To obtain a burn permit contact:**

Fire Chief Joey Clark (cell 812-2208 or 422-0110)  
Dep. Fire Chief Dwayne Clement (cell 479-6049)  
Asst. Fire Chief Mike Parker (422-6755)  
Asst. Fire Chief Brian Clement (422-3503)  
Chief Engineer Craig Clement (460-8851)

**Required for burning:**

***\*\*at least two adults to attend the burn,***  
***\*\*some form of water supply and hand tools must be on hand,***  
***\*\*and it is recommended you have a cellular phone or other communication device to call for assistance should the fire escape.***

**YOU are responsible to see that the fire is out before leaving.**

Following are the calls, classes, work sessions, & training for the Sorrento Fire Dept. for the month of October:

**10/17/19 – Storm.** Out checking for downed lines/trees, other damage. Checking with Rescue 845 and Forestry 864 were Dwayne Clement, Mike Parker, Jon Mickel, Craig Clement and Carlen Jay.

#### **Michael Eastman, RSU #24 Superintendent**

Greetings from RSU #24, I hope this finds each of you enjoying the wonderful fall weather. With the exception of the storm on October 17, the weather has been beautiful. There continues to be a buzz in the schools with students and staff alike taking care of the business of education. It has been a pleasure to get into our schools to observe the excitement that our schools generate.

The new building project continues to move forward. The architect has been refining the designs of the school looks at the classroom level details that will be included in the building. There have been meetings between the architect and the teachers and other staff members to solicit input on how classrooms should be set up and how the design of the school can be maximized to meet the needs of our students and our community. We are still on a path that has us braking ground in June! We are certainly excited to get the project underway!

Paralleling the work of the Building Committee, there is a fundraising committee charged with raising funds for items in the building project that the Building Committee deems as important for our students and that the State will not pay

for. The name of the committee is Friends of Summer's Future and they will be meeting to plan specific fundraising initiatives to help pay for such items as additional equipment for the building, dugouts, a digital street sign, and aluminum bleachers for the competition field. Stay tuned for further information or check our website at [www.rsu24.org](http://www.rsu24.org) and click on the New Building Project link.

On October 22, there was a committee convened of members from each of our communities to talk about the name of the new school. The committee has students, parents, staff members, and community members, all tasked with choosing a name or names for the new school that will be forwarded to the RSU Board of Directors for consideration.

In closing, please know that student safety is a priority for us. We do have a set number of drills that we run to prepare our schools for emergency situations. In addition, we have certain procedures in place in each of our buildings for visitors (parents, community members, etc.) to enter the building. As you can imagine, the specifics surrounding the procedures and drills are kept confidential to further the protection of our students.

If you have any questions, please don't hesitate to contact me at (207) 422-2017 or [meastman@rsu24.org](mailto:meastman@rsu24.org). Please know that I greatly appreciate all the support that each of our communities provide.

Sincerely,  
Michael Eastman, Superintendent
